

Did you ever try a suit made up to your own measure?

If not, why not now? It costs no more and the service is so superior that there's really no comparison. You get what you want. You get the fabric you like best and the model that suits you best and the finished suit must fit you or you needn't take it.

There is no risk whatever. Try it this Fall and see what a difference there will be in your personal appearance. Don't take our highest priced suits to start with—spend \$20 or \$25 and convince yourself at this small expense.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Cheer Up! Prosperity is Here

"If a man can't laugh there is some mistake made in putting him together, and if he won't laugh he wants as much keeping away from as a bear-trap when it is set."—Josh Billings.

If you think you have a worry—forget it. Just come to us when you want good drug store merchandise and reliable drug store articles. You will find that prosperity has left its mark on our store, and in no better way is this shown than in our careful buying, which enables us to offer you the best of goods at extremely low prices. It is remarkable to note what a quarter will buy at our store. For instance, a good tooth brush, a fine box of stationery, many prescriptions we sell for a quarter and less, ideal cold cream, toilet waters, a delicious box of candy, a safety razor—in fact, something for everybody in the home. A quarter spent with us will buy more than you would expect—both in quantity and kindness.
